# Wildlife Camp Summer

June, July, August 2012

## Team Green: Taking Action for Local Wildlife

Ready to do your part, but not sure where to start? Campers, ages 12-15, learn to support local ecosystems. Spend the week caring for animals in need, developing enrichment toys and other needed supplies for the animals in rehabilitation, and engaging in hands-on learning about the delicate balance of Texas wildlife and their environments.

June 25-29 | July 23-27

## Fur, Feathers & Scales: A Wildlife Adventure

Oh, my! Campers, ages 7-11, will be able to lead adventures in their own backyards after learning all about the amazing wildlife and habitats right here in Texas. Campers will be tasked with caring for special animals throughout the week. Campers host their very own wildlife adventure on the final day of camp!

June 11-15 | July 9-15 | August 6-10

Beverages and snacks are provided.  
Campers need to provide their own lunch.

Time: 10:00 AM to 4:00 PM (Early drop-off and late pick-up are available from 9:00 AM to 5:00 PM for an additional charge)

Camp: \$245.00 (or \$55.00 per day)

Paint with wildlife, too!
